Entry times submitted using the State Tournament Entry process (i.e., via DirectAthletics) should be based on a yard-pool event distance; qualifying times achieved in a 25-meter pool should be converted to the equivalent 'yard' basis using the conversion factors and procedure described in the current NFHS Rule Book. (Note: if the converted time is slower than the Qualifying Time for a 'yard' pool, enter the 'yard' Qualifying Time for the event.)

\*\* Diving qualification for the Tournament is based on a standard 6-dive program as conducted under regular dual meet conditions and procedures.
